

A125

SIDE CURTAIN AIRBAG COMPATIBLE

- PERMANENTLY ATTACHED USING 14GA STEEL BRACKETS
- DESIGNED TO FLEX WHEN AIRBAG IS DEPLOYED
- RIGID DESIGN LIMITS PRISONER FROM REACHING AROUND PARTITION
- SCRATCH RESISTANT POLYCARBONATE

LABORATORY TESTED

Pro-gard's laboratory tested A125 airbag compatible transport system is designed to protect you the officer. Our system is designed to flex away from the side curtain airbags available on todays police cars.

This design allows you to be safe and secure while transporting prisoners. For more information call **800.480.6680** or email us at sales@pro-gard.com
