

Pro-gard Products LLC, a leading manufacturer of law enforcement vehicle equipment for over 40 years, provides the safest, most durable products designed to perform on the open road. Pro-gard announced the addition of their Ballistic Door Panels for the Ford Crown Victoria, Dodge Charger, and Chevy Impala and Tahoe. Our Ballistic Door Panels offer an extra wide area of protection that requires no vehicle modification and are rugged yet lightweight. Vehicles do not have to be modified and once installed the panels are undetectable. Pro-gard's Ballistic Door Panels are made of Kevlar and are NIJ certified level IIIA. We offer a solution that is 50% lighter and that has a 16% larger coverage area than Ford's factory option, meaning less wear and tear on your vehicle and more protection for you.
