Safely stow away a wide range of equipment in the cargo area of the SUV with our Cargo Security Cover. Designed for fleet managers, installers and officers. This new easy to install SUV security solution will prevent theft by keeping items out of sight, essentially creating a trunk in the SUV and provides additional mounting surfaces for accessories and electronics.

Cargo Security Cover Features

- » **Conceals Cargo Area** - Safely conceals equipment, weapons, tools, electronics, gun racks and any necessary officer gear that is kept in the cargo area
- » **Security Solution** - Prevents theft by keeping items out of sight, essentially creating a trunk in the SUV
- » **Engineered for Cohesion** - Made to seamlessly mount, or be retro fitted to Pro-gard's Cargo Barriers and is designed with multiple slits for bungee cords
