CARGO SECURITY COVER

Shown in the 2020 Ford Police Interceptor Utility

Shown in the 2018 Chevy Tahoe

Shown in the 2013 Ford Police Interceptor Utility

Safely stow away a wide range of equipment in the cargo area of the SUV with our patent-pending Cargo Security Cover. Designed for fleet managers, installers and officers. This new easy to install SUV security solution will prevent theft by keeping items out of sight, essentially creating a trunk in the SUV and provides additional mounting surfaces for accessories and electronics.

CARGO SECURITY COVER FEATURES

- » **Conceals Cargo Area** - Safely conceals equipment, weapons, electronics, gun racks and any necessary officer gear
- » **Security Solution** - Prevent theft by keeping items out of sight, creating a trunk in the SUV
- » **Engineered for Cohesion** - Made to seamlessly mount, or be retro fitted to Pro-gard's Cargo Barriers and is designed with multiple slits for bungee cords
- » **Additional Mounting Surfaces** - Additional space is created for mounting accessories or electronics on top and under the security cover
- » **Built to Last** - The patent-pending steel constructed frame and topped with a heavy-duty rubber mat extending the full width of the vehicle's cargo area
- » **Easy Installation** -
 1. Quick and easy with a no-holes-drilled installation
 2. Bolts to the rear of Pro-gard's Cargo Barriers
 3. Securely mounts to the body of the vehicle using existing OEM mounting points
- » **Vehicle Availability** - Currently available for: 2013-2019 Ford Police Interceptor Utility, 2020 Ford Police Interceptor Utility, Chevy Tahoe PPV, Dodge Durango PPV

Shown in the 2021 Chevy Tahoe
