Shown on the Chevy Tahoe

Shown on the Ford Expedition

Engineered to offer law enforcement the best solution when it comes to officer and vehicle protection. The HD Push Bumper is uniquely designed for each vehicle make and model for durability, visibility and maximum coverage.

HD Push Bumper Features

- » Sized to fit the vehicle - available for sedans, trucks and SUVs in sizes that match the grill profile
- » Superior, patented design requires no holes drilled - less down time and quicker installs
- » Solid weld, rugged steel construction, more durable life of the bumper that is easy to install
- » Auxiliary light mounting platform - various mounting slots provide multiple options for mounting warning lights
- » Integrated mounting design - will not interfere with the SRS airbag system
- » Black powder coat finish - adds a layer of protection against environmental conditions
- » Sturdy rubber padding covers surface area encasing bumper edge for maximum coverage

Integrated LED Option Features

- » Integrated, Whelen® ION™ Duo™ Smoked Lens LED Lightbars
- » Sedan features 2 ION lights
- » SUV choose either 2 or 4 ION lights
- » Wide variety of light color options
- » Wire Covers to enclose wiring

Wrap Option Features

- » Heavy-duty Aluminum Wraps protect the front of fenders
- » Black Powder Coat finish
- » Specifically designed to fit the contours of the vehicle for better coverage, fit, and aesthetics
- » Wide profile rubber pads provide full coverage and better protection upon contact

Choose from All Red/White, All Blue/White, or half Red/White half Blue/White Integrated LEDs
