MOTORCYCLE MOUNT GUN RACK

The GMM Series Motorcycle Gun Rack offers an AR single weapon mounting solution for your motorcycle patrol units. Our Motorcycle Mounts provide officers the ability to carry a long weapon and the added security of our locking gun racks.

Motorcycle Mount Gun Rack Features

- » Single Compact AR Mount
- » Only used with Harley Davidson High Side Saddlebags
- » Foam padded gun locks
- » Replacement magazine holder
- » Designed to fit Colt "Commando" M4 Carbine or Variant (maximum 27¼" overall weapon length with stock collapsed)
- » "Gun Rack Order Form" completion will allow us to build each rack to your specifications

Secures an additional magazine

Secures a M4 "Commando" weapon in the high-side saddlebag
