SPACE SAVER PARTITION

The Space Saver Partition's patented design offers maximum clearance for loading and unloading prisoners. It's recessed panel gives officers additional space for mounting weapons or accessories.

Space Saver Partition Features

Unique Design

- » Includes Recessed Panel and a Pair of Lower Extension Panels
- » Patented Airbag Compatible Wings
- » 1"-5/8" Full Roll Bar Construction
- » 14 Gauge Steel Construction
- » Anodized Aluminum Window Frame
- » Optional Horizontal or Vertical Gun Racks

Side Curtain Airbag Compatibility Choose from two options:

- » Airbag Compatible, Filler Panels flex under the force of airbag deployment
- » AOI Airbag On/off Control Switch kits that allow departments the ability to turn airbags on or off, used in conjunction with Hard Wing Filler Panels

Window Options

- » Choose from up to 9 different window configurations to meet your prisoner transport needs
- » Center slide windows feature an ergonomic latch to aid in easy window operation from the driver's seat
- » Durable ¼" thick polycarbonate window panes
- » Anodized aluminum window frames are easy to clean and resist corrosion
