# TRUNK MOUNT GUN RACK

Our GTM Series Trunk Mount is available for single weapon mounting in the vehicle's trunk and can be customized to match any officer's weapon. The mount utilizes the existing OEM frame for an easy installation and is perfect for supervisor, detective, and other fleet vehicles where a partition is not installed.

## Trunk Mount Gun Rack Features

- » Designed to fit the specific, special purpose of each vehicle
- » Custom fit to eliminate road rattle
- » Single weapon mounting
- » Our "Gun Rack Order Form" completion will allow us to build each rack to your specs
- » Currently available for the Dodge Charger and Ford Police Sedan Interceptor

Gun Locks are determined by a combination of mounting location, weapon type, and weapon accessories. In order to secure the best fitment, we build the gun rack around each specific weapon and accessories.

All gun racks come equipped with an 8 second timer and momentary switch that allows for quick, easy access to the weapon (s).

Choose from three styles of key override: Straight, Handcuff or Vending.

## GUN RACK FEATURES:

Single or Dual Vertical Weapon Mounting

Black powder coated steel finish

No Holes Drilled for easy install

Momentary switch and 8-second timer

Customized to meet the specifications for each officer's weapon

Choose from three different styles of gun lock override keys: straight, vending, or handcuff
