- » Allows for quick access to weapon with touch of button

**Contact a customer service representative for more information*

Gun Locks are determined by a combination of mounting location, weapon type, and weapon accessories. In order to secure the best fitment, we build the gun rack around each specific weapon and accessories.

All gun racks come equipped with an 8 second timer and momentary switch that allows for quick, easy access to the weapon (s).

Choose from three styles of key override: Straight, Handcuff or Vending.
